## **SUPPLEMENTARY INFORMATION:**

### **Agenda**

The Advisors will review preliminary 2015 scallop survey results and discuss initial recommendations from the Scallop Plan Development Team (PDT) for FY 2016 and FY 2017 (default) fishery specifications (Framework 27). The Advisors will also provide input on potential Council work priorities for 2016 related to the scallop fishery management plan, and potentially identify recommendations for prioritizing the various potential work items. Staff will review from [draft analyses prepared for Amendment 19,] an action to address timing issues for fishery specifications, and advisors will identify preferred alternative recommendations. Staff will review progress on planning of a future workshop to discuss issues about potential inshore depletion. Finally, staff will review preliminary input from the PDT based on a Council motion to evaluate how to potentially improve information collected by observers on discard mortality and highgrading. Other business may be discussed.
